

JON WALDRUP

Sagle, Idaho • 208.290.8578

digitalforestry@gmail.com | waldrupj@oregonstate.edu

SUMMARY

Geographer with recent graduate training in community-based resilience and hazard mitigation planning; survey design, implementation, and analysis; static and interactive cartography; and spatial and satellite image analysis, often incorporating AI. 20+ years' experience using GPS & GIS in the field and office, interfacing with USFS, BLM, and private industrial forest land owners for forest data collection and property boundary mapping.

EDUCATION

MS Geography and Geospatial Science, Oregon State University, May 2026

BS Geography and Geospatial Science, Oregon State University, Dec 2024

Geographic Information Science Certificate, Oregon State University, Dec 2024

GIS Certificate, College of Western Idaho, June 2023

SKILLS

ArcGIS Pro • Cartography • Web Mapping (MapBox, Leaflet, Turf.js) • ArcGIS Online • Experience Builder • Python/ArcPy • R • JavaScript/HTML/CSS • Research Design, Implementation and Analysis • Community Engagement • Government lotting, reading plats, corner finding, survey instruments, traverse planning • Field-editing GIS data on a wide range of handheld devices

EXPERIENCE

Graduate Teaching Assistant, Oregon State University, Winter 2026

GEOG 360 GIScience I: Geographic Information Systems and Theory | *GEOG 561 GIScience II: Analysis and Applications*

Owner, Digital Forestry, 2006–Sept 2023

Forest Data Collection and GPS Mapping Service

Ski Patrol, Schweitzer, 1989–2006

Slope hazard mitigation; OEC and Lift Evacuation Instructor.

Financial Advisor, UBS, 2000–2003

Client recruitment, asset gathering and management.

RECENT PROJECTS

MS Capstone, May 2026: Mixed methods study on access to healthcare in Idaho.

Wildfire Risk Mitigation in Bonner County, Idaho, Feb 2026: Parcel-level wildfire risk assessment and hazard mitigation policy planning with cost-benefit analysis incorporating raster, network, and demographic analyses.

Interactive and Static Cartography, Aug 2026: [Leaded Aviation Gasoline in Portland, OR](#) Pacific Northwest Center for Translational Environmental Health Research.

Cartography and River-Flow Animation, Sept 2026: Idaho Conservation League documentary film.

Cartography, Aug 2025: [Worth of a Woman Exhibit](#), The Pro Voice Project.

COMMUNITY INVOLVEMENT

Board Member, Bonner County Human Rights Task Force

AWARDS

2024, Outstanding Senior in Geography, Oregon State University

2004, Schweitzer Employee of the Year

2002, President's Club Producer, UBS
